

Emily K. Plowman, Ph.D. CCC-SLP

Associate Professor

Departments of Speech, Language and Hearing Sciences and Disorders, Physical Therapy and Neurology

Principal Investigator, Neuromotor Speech and Swallowing Restoration Laboratory

Co-Director, Swallowing Systems Core

Clinical Director, Center for Respiratory Research and Rehabilitation

University of Florida

www.swallowingsystems.org

EDUCATION

Post-Doctoral Fellowship in Neuroscience

NIDCD F32 Ruth Kirschstein National Service Award Individual Training Fellowship

Department of Neuroscience, McKnight Brain Institute, University of Florida

2008-2010

Clinical Fellowship

Shands Hospital at the University of Florida

Fellowship conferred 2008

Doctor of Philosophy in Neurorehabilitation Sciences

Department of Communication Disorders, University of Florida

Degree conferred 2006

Bachelor of Science (Speech & Hearing) (First Class Honors)

Curtin University of Technology, Western Australia

Degree conferred 2000

CERTIFICATIONS

Certified Speech-Language Pathologist, Australia, 2001 - Present

Certificate of Clinical Competency Speech Language Pathology U.S.A, 2008 - Present

LICENSURE

Speech-Language Pathologist - Florida, 2008 - Present

HONORS AND AWARDS

2014 Finalist, International Symposium on ALS/MND Research Award, Brussels, Belgium.

2014 Co-author, 1st Place Scientific Presentation, 22nd Dysphagia Research Society Meeting, Nashville, TN.

2013 1st Place Scientific Presentation, 3rd Cutting Edge Laryngology Meeting, London, U.K.

2013 American Board of Swallowing and Swallowing Disorders Research Award.

2013 2nd Place Scientific Platform Presentation, 21st Dysphagia Research Society Meeting, Seattle, WA.

2012 American Speech and Hearing Association Lessons for Success Alumni invited speaker.

2012 Faculty Poster Award, 20th Dysphagia Research Society Meeting, Toronto, Canada.

2012 2nd Place Poster Award, 20th Dysphagia Research Society, Toronto, Canada.

2012 Keynote Presenter, 5th Annual Norwegian Laryngology Conference, Hemsedal, Norway.

2011 Keynote Presenter, Sydney Dysphagia & Oesophagology Course, Sydney, Australia.

2010 Junior Keynote presenter NIDCD Symposium: Neuroplasticity in the mature brain, Washington, DC.

2010 1st Place Scientific Presentation, NIDCD Integrative Neural Systems Symposium, Madison, WI.

2010 American Speech and Hearing Association 8th Annual Lessons for Success Recipient.

2010 2nd Place Scientific Presentation, 18th Dysphagia Research Society Meeting, San Diego, CA.

2009 McKnight Brain Institute, Department of Neurology, Research Fellow of the Year.

- 2009 Movement Disorders Society New Investigator Travel Grant.
- 2009 Florida Society of Neurology Fellow Research Award.
- 2008 First Place Poster at 3rd Annual Neuromuscular Plasticity Symposium, University of Florida.
- 2005 Kenneth G. Bzoch Speech-Language-Hearing Research Award.
- 2004 Recipient of the A.S.H.A Graduate Student Travel Scholarship.
- 2003 International Academic Scholar of the Year Award, University of Florida.
- 2002 University of Florida Scholars Award for 4.0 GPA by Doctoral Student.
- 2001 American Speech-Language Hearing Association Division 13 New Investigator Grant.
- 2001 Best Scientific Paper by New Investigator, Dysphagia Research Society Meeting, Albuquerque, NM.
- 2001 Awarded Australian Post Graduate Ph.D. Scholarship (declined).
- 2000 Awarded Curtin Speech & Hearing Outstanding Research Thesis Award.
- 2000 Awarded First Class Honors for research thesis.
- 2000 Letter of Academic Commendation, Curtin University of Technology, Australia.
- 1999 Golden Key National Honor Society.
- 1999 Rotary Citizenship Award.
- 1999 President - Student Speech Pathology Association.

COURSES TAUGHT:

- Dysphagia
- Introduction to Clinical Practice
- Medical Speech-Language Pathology
- Introduction to Graduate Research
- Doctoral Seminar in Upper Aerodigestive Tract Function
- Translational Rehabilitation Neuroscience
- Neuroanatomy

PROFESSIONAL SERVICE:

- Graduate National Student Speech Language and Hearing Association University of Florida Chapter Faculty Advisor, 2015 - present
- Rehabilitation Sciences Doctoral Program Steering Committee, University of Florida, 2015-present
- Graduate National Student Speech Language and Hearing Association Faculty Advisor, 2015-present
- College of Public Health and Health Professions Research Council, 2015 - present
- Northeastern ALS (NEALS) Consortium Bulbar Committee, 2014-present
- Chief Medical Advisor, A Life Story Foundation 2014-present
- Chair, Dysphagia Research Society Awards and Scholarship Committee, 2014-present
- Scientific Abstract Committee, Northeastern ALS (NEALS) Consortium, 2014
- Northeastern ALS (NEALS) Consortium Ventilation Committee, 2014-present
- Co-Chair, Meet the Masters Program American Board of Swallowing & Swallowing Disorders, 2014
- American Speech and Hearing Society Student and Post-Doctoral Fellow Mentor, 2013
- Chair, Dysphagia Research Scholarship Committee, 2012-2013
- Chair, Dysphagia Research Society Bylaws Committee, 2012-present
- Selection Committee, Faculty position, Communication Science & Disorders, USF, 2013
- Board Member, Dysphagia Research Society, 2012 - 2015
- Program planning committee, Dysphagia Research Society, 2012
- Chair, Rules of Conduct Committee, Dysphagia Research Society, 2012 - present
- Scientific Abstract Committee, Dysphagia Research Society, 2011
- Educational Advisor for the Department of Defense 2011- present
- Ad Hoc Communications and Public Relations Committee, Dysphagia Research Society, 2012-present

- Faculty, Dysphagia Research Society 2010 – present
- Membership committee, Dysphagia Research Society 2011 – 2012
- Abstract review committee, Dysphagia Research Society 2011
- Selection Committee, Movement Disorders Fellowship Program, University of Florida
- Selection Committee, Faculty Position, Department of Neurology, University of Florida

RESEARCH SUPPORT:

Current:

Amyotrophic Lateral Sclerosis Association Clinical Management Grant

Principal Investigator (20% effort)

Impact of Respiratory Training in Amyotrophic Lateral Sclerosis.

4/15/2016 - 6/15/2018

National Institute of Deafness and other Communication Disorders: R01 DC011020

Co-Investigator (PI: Steele) (20% effort)

Physiological Flow of Liquids Used in Dysphagia Management.

3/1/2016 - 3/1/2022.

National Institute of Neurological Disorders and Stroke: R01NS098819

Co-Investigator (PI: Ranum) (2% effort)

Molecular Characterization of ALS/FTD in a Novel C9ORF72 BAC Mouse Model.

7/28/2016 - 6/30/2022

Pending:

National Institute of Neurological Disorders and Stroke: 1R01NS100859-01

Principal Investigator (35% effort)

Delineating Physiologic Mechanisms of Swallowing impairment and Decline in ALS

4/01/2017 - 3/31/2022

Scored 3rd Percentile (10/10/2016)

Past:

National Institute of Child Health Development: 1R21 HDO75327

Principal Investigator (30% effort)

Effects of Strength Training on Bulbar Function in Persons with Amyotrophic Lateral Sclerosis.

7/1/2013-6/31/2016.

National Institute of Deafness and other Communication Disorders: 1R03 DC012123

Principal Investigator

Dissociating the Neural Substrates of Cranial & Limb Motor Impairment in an Animal Model of PD.

09/21/2011-08/31/2015.

National Institute of Deafness and other Communication Disorders: F32 DC010569

Ruth L. Kirschstein National Research Service Award F32 Individual Post-Doctoral Fellowship

Principal Investigator

Neural Substrates of Oral Motor Dysfunction in Parkinson's disease.

12/09-11/11.

Veterans Affairs Office of Rural Health: N08-FY14Q4-S0-P01503

Co-Investigator

Reducing Barriers to living at home for the Rural Veteran with Amyotrophic Lateral Sclerosis.
8/15/2014-8/15/2015.

University of South Florida College of Medicine Interdisciplinary Seed Grant: IS415-3

Principal Investigator

Impact of Lingual Resistance Exercise Training on Swallowing Function, Airway Protection and Oral Intake in Neurodegenerative Disease.

11/15/2014-12/15/2015.

University of South Florida Research and Innovation Grant

Principal Investigator

Impact of Exercise on Disease Progression and Survival in a Transgenic Mouse Model of ALS.

7/1/14-6/31/16.

Joy McCann Center for Swallowing Disorders Research Foundation

Principal Investigator

Impact of EMST on Bulbar Function in Amyotrophic Lateral Sclerosis: A Pilot Study

07/01/11-07/31/13.

University of South Florida New Investigator Grant

Principal Investigator

5/1/11-4/29/12.

College of Behavioral & Community Sciences USF Summer Research Career Enhancement Grant

Principal Investigator

5/16/11-7/30/11.

Clinical and Translational Science Institute Junior Faculty Grant

Principal Investigator

11/09-12/10.

McKnight Brain Institute Fellow Research Grant

Principal Investigator

Awarded 1/10/2010.

Ruth L. Kirschstein National Research Service Award T32 Institutional Training Fellowship

National Institute of Deafness and other Communication Disorders

12/1/07-11/1/09.

GRANT REVIEWING SERVICE:

- National Institutes of Health, SBIR, 2014-present
- National Institute of Health, Loan Repayment Program, 2013-present
- American Speech and Hearing Foundation, 2013, 2014
- Sir Charles Gardiner Western Australia, Australia, 2012

JOURNAL REVIEWING SERVICE:

Behavioral Brain Research (2013-present), Dysphagia (2011 - present), Journal of Visualized Experiments (JOVE) (2014 - present), Journal of Speech Language and Hearing Research (2011 - present), American Journal of Speech Language Pathology (2013 - present), Movement Disorders (2010 - present), Neuroscience

(2010 – present), Parkinsonism and Related Disorders (2010 – present), The Journal of Neuroscience (2011 – present).
